

## FINANCIAL OPTIONS

In our commitment to provide the highest quality dental care to all of our treasured patients and to have those services affordable, we are pleased to offer you these financial options and guidelines for payment:

- If you have insurance, we will gladly process your claims. We do require that you pay all estimated patient portions when services are rendered.
- Every effort will be made to help you with your insurance. The estimated insurance coverage is not a guarantee of payment and the insurance company, not our office, determine the dental benefits you receive. Please keep your insurance information current by notifying us of any changes in employment and insurance coverage.
- We accept Visa, Mastercard, Discover, personal checks, debit cards and cash.
- Financing is available through Care Credit, which offers interest free payment options for large treatment plans. Ask us about the application process.
- If you pay by check and your check is returned, there will be a \$25 returned check charged to your account. You will be notified immediately, and the balance will be due within 5 days.
- For our patients without dental insurance, we offer the CARE CLUB dental savings plan. Please inquire for more details.
